Privacy collection

The information that you provide on this application form will be used and disclosed by the Sydney Quantum Academy, in accordance with the Conditions of Award, for the purposes of managing and assessing your fellowship

application and, if you are successful, in the administration of your fellowship. This administration includes publishing the names of fellowship recipients in the SQA's newsletter and SQA website at the time of awarding the fellowship. The supply of information is voluntary but if you do not provide all the information requested, we may be unable to process your application. The information will be held by the University of Sydney, the administering university for the fellowship. For requests to update or access personal information, contact: info@sydneyquantum.org.

Declaration and Submission

I declare that all the information I have provided in this application is true and correct.

By submitting this form, I certify that the statements made by me in this application form and any supporting documentation (e.g. CV) are true and complete. I understand and agree that a false statement may disqualify me from the SQA Postdoctoral Fellowship program. I give permission for my nominated referees to be contacted as part of the selection process and give my consent to SQA and partner universities to conduct any pre-selection checks as required. Selecting "Yes" is equivalent to my signature.

I have read the privacy declaration and the Conditions of the Award
